

# Puzzle Challenge #114

September 7 - 11, 2009

*Goodword Junior*

Click on the first letter of any word to start. If you want to skip ahead, press Return/Enter.

## Across

3. A jointed and moveable hair on the head of insects that senses movement.
5. A tiny one-celled microorganism (living thing) that usually lives off another organism. Bacterium can be helpful and harmful.

## Down

1. An organism that lacks chlorophyll and lives off decomposing matter.
2. A kind of plant that lives in hot, dry areas, often with spines (no leaves) and single flowers.
4. A worm-like organism that undergoes a complete change into another form.
