Words about Art

Across

2. A picture made with many small, colored pieces of glass or clay glued onto a surface.
4. To say what you are thinking or feeling with words, painting, poetry or in any other way.
5. A public show or display of something.

Down

1. The image of a person or object that has been carved or shaped from some material like metal, wood, ice, or marble.
3. Something very interesting and unusual from a foreign place.
