Goodword Puzzle Challenge #195
Jan. 30 - Feb. 3, 2012

Across
2. A long, continuing dull pain.
3. A building in which the sick or injured are helped.
5. What a person typically eats and drinks, sometimes chosen carefully for health reasons.

Down
1. A hollow space, dip or hole in a surface.
4. A gas that, when present in the upper atmosphere, protects the earth from harmful rays of the sun.
